

ENROLLMENT POLICY GENERAL

Regarding enrollment procedures, Haven School will open enrollment to students in K–6th grade who wish to enroll in the Haven School and Haven Forest School programs for the 2026/2027 school year.

Space permitting, all students who are residents of Colorado are eligible to attend Haven Forest School. Haven will not discriminate on the basis of race, color, ethnic background, national origin, gender, disability, or age.

The State of Colorado dictates that students may only be enrolled in one publicly funded program at a time. If enrollment at Haven is desired, you may not be enrolled in any other publicly funded programs in Colorado. It is the parent's responsibility to determine if their student is already enrolled in a publicly funded program.

Haven seeks to provide a classical nature–centered education to a diverse body of students and honor students with disabilities by cultivating a safe and successful learning place. As a homeschool enrichment program Haven is not required to service student IEPs but will accommodate all students with IEPs and 504 Plans. We believe every student is capable of learning and achieving growth, and Haven shall assist with the provision of special education and/or related support services on a case–by–case basis.

Haven grants enrollment priority to siblings of currently enrolled students, to the children of Haven board members, to the children of founding families, and to the children of staff members.

ENROLLMENT FOR THE 2026/2027 SCHOOL YEAR

Haven offers program information that is made public through marketing and word of mouth. Open enrollment for the 2026/2027 school year will begin March 9, 2026. Offers continue until the second week of September of the school year or until all seats are filled. Families wishing to enroll their student must complete an online waitlist form. Enrollment is offered on a first-come, first-serve basis. The Administrator sends periodic waitlist status updates and will contact you if Haven has an offer for you. If you decline an enrollment offer, your child will be removed from the waitlist. Please keep your contact information up-to-date. Any requests for information, updates, and offers will be sent to the email on file. If we do not hear from you regarding an offer your child will be removed from the waitlist.

Haven Forest School enrolls all students based on birthdate, not traditional or requested grade unless arrangements are made with the Haven Administrator. To be eligible to enroll in Forest School, students must turn five before September 30, 2021.

After classes are fully enrolled, the school will maintain a waitlist for each grade, as required. If the Director chooses to fill a vacant seat, he/she will draw from the first name on the waitlist, moving down the waitlist until the position is filled. If there is no waitlist, vacant seats will be filled on a first-come, first-served basis.

Haven grants enrollment priority to siblings of currently enrolled students, to the children of Haven board members, to the children of founding families, and to the children of staff members.
